

Do you know an outstanding young musician (aged 11-18) who needs assistance with funding?

Jazz, rock, classical... whatever the style - we may be able to help!

The Young Talent Awards offer musicians who are under 18 funding of up to £1000 towards:

- the cost of buying an instrument
- music lessons with a private teacher
- fees or travel expenses to attend a Saturday music centre

We can also help 18 year old musicians with buying an instrument if they are going on to study at university or college.

Every year the Musicians Benevolent Fund has over £100,000 available for young musicians in financial need. Last year we helped over 180 talented youngsters through our Young Talent Awards. If you know someone who needs help, ask them to get in touch with us!

To find out more about the Young Talent Awards and to apply, visit **mbf.org.uk**.

The closing date for applications is **Friday 11 June 2010**.
